

Topic:	EOL MTi 10-series
Author:	Product Management
Date:	Aug 2020

## 1 Purpose

This is a notification to all customers that Xsens will officially implement an End of Life (EOL) for all products in the MTi 10-series as described in Section 2. The milestones and dates are mentioned in Section 3.

The MTi 10-series has effectively been replaced by the new MTi 600-series. The MTi 600-series is comparable in performance but more attractively priced compared to the MTi 10-series.

This EOL notice supersedes the earlier released EOL notification which only covered part of the products mentioned below.

## 4 Customer Impact

### 4.1 Purchasing

Products subject to this EOL can be purchased until the End-of-Sale date mentioned in Section 3. Shipment of those products is done until the Last Shipping Date mentioned in Section 3.

Note that the MTi-30-xAxGx will be sold and shipped for a much longer period than the MTi-10-xAxGx and MTi-20-xAxGx, as the MTi-30-xAxGx is form/fit/function compatible.
